## THE PAISLEY REVERIE COLLECTION

TIMELESS LUXURY IN A BOHEMIAN BIOME!

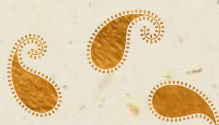

We are delighted to unveil our collection of Gift Hampers that is a poetic rendition honouring the traditional bandhani and the enchanting paisley. This exquisite fusion is an expression of Indian culture and its rich artistry and embodies the melange of heritage and elegance.

The collection has been created in collaboration with **Designer Kiran Khanna** of the brand Style Junkiie – a hi-fashion brand. **TajSATS x Kiran Khanna** found inspiration in the Sun's radiant beauty and power, positioning it as the core of the design symbolising luxury and warm Indian hospitality.

**Kiran Khanna**, a lawyer by profession, who found her true calling through fashion.

This 'Born in Bombay' brand seamlessly blends Indian heritage with an international spirit.
